AWI Manufacturing, Inc. is proud to announce that we are now ISO 9001:2015 certified. To achieve this ISO 9001:2015 certification the scope of the AWI Manufacturing Quality Management System includes all Metal Fabrication Services: Welding, Flat & Tube Laser Cutting, Press Brake, Engineering, Assembly, Shipping & Receiving, Sales, Customer Service and Accounting.

AWI Manufacturing, Inc. is committed to providing consistent standards for our products, manufacturing processes and management systems. To maintain our ISO 9001:2015 certification, we will perform internal audits, quality inspections, regular management meetings and customer surveys to ensure continuous improvement.

AWI sought out this certification to prove our commitment to our customers and our Quality Policy Statement:

AWI Manufacturing, Inc. strives to provide complete customer satisfaction through quality products and service in all areas of our business.

We are committed to continuously improving our quality management system, which meets the requirements of ISO 9001:2015.

At AWI, we strive to be the leading provider of products for the food & dairy industry and all your custom metal fabrication needs.

You can view and download a copy of our ISO 9001: 2015 certificate anytime on our website, or click below to download now.

Thank you for being a valuable customer and we look forward to doing business with you again!
